Example: RS400A/BE/DS
(Deluxe Ergonomic Task Chair Mesh Back With Arms in Blue, Boxed - Express Direct Ship)

Price on application for vehicle deliveries to third party locations for projects / installations.

Glue-less Technology

We have developed and enhanced our manufacturing techniques which now enables us to be **totally glue-less** in the production of the **entire response range**.

All of our upholstered backs have been fitted with an **E-badge** which has helped us to **lower our carbon footprint**, **enhance our production process** and help make our chairs up to **99% recyclable**.

In turn, this process has led to a more consistent and defined upholstery finish which has **increased aesthetics** and **enhanced the curves and contours** of our product.

Maximum Comfort

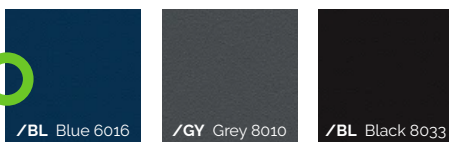

Generous double curved seats with ergo-density foam and profiled single shells ensure maximum seated comfort.

Information On Demand

We've developed a new **QR Scanning system** that allows customers to scan the code on the underside of their chair and retrieve unbranded assembly and user instructions instantly.

As well as removing a time consuming process from our production line, this has also helped us to be more **environmentally friendly**, as we are now printing up to **50,000 less sheets of paper** containing user instructions and assembly guides per year!

3 Colours, 3 Days

All of the models* featured in this product guide can be purchased in blue, grey or black as standard and can be despatched in as little as **3 working days**.

Our selected range is:

- ✓ Group 1 priced
- ✓ Classic Crepe Weave
- ✓ 100% Polyester
- ✓ OEKO-TEX Standard 100 Certified
- ✓ High Durability Performance - 150,000 rubs
- ✓ EN1021-1&2 Cigarette & Match
- ✓ BS 7176 Low Hazard
- ✓ BS 5852 Ignition Source 5 / Crib 5
- ✓ BS 7176 Medium Hazard

Did You Know

All **response** models* can be upholstered in any other fabric from our range and will be despatched in **7 - 10 working days**.

Highly Adjustable

All **response** models have simplistic ergonomic adjustment features including:

- ✓ Seat Height Adjustment
- ✓ Seat Angle Adjustment
- ✓ Seat Depth Adjustment
- ✓ Backrest Height or Lumbar Panel Adjustment
- ✓ Inflatable Lumbar Support Adjustment (where applicable)
- ✓ Height and Depth Armrest Adjustment (where applicable)

(response 800 series are body profile one-piece shells)

* exc. RS802 and RS803

WHY ARE WE YOUR NEXT LEVEL E-COMMERCE QUICK SHIP OFFICE CHAIR PARTNER OF CHOICE?

No warehouse? No problem!

With manufacturing and storage facilities totalling over **50,000 square feet**, we are fast becoming the **next level**, quick ship office chair partner of choice.

We have committed to back stocking fully upholstered seat and backrest components awaiting final assembly and despatch, saving **YOU** both space and time.

Manufactured in the UK with a **regular stock replenishment** programme, ensuring a rapid **response**.
