## Alexander Green Office Interiors

For 25 years we have been helping our customers' businesses grow and succeed. Quality is at the heart of all we do... and our reputation has been built on consistently delivering high quality products, service and support. Our clients range from large commercial enterprises to schools and colleges, public access offices and home office set-ups.

Strange as it may sound, we're really passionate about office design and office furniture. We care deeply about our customers and relish the challenge of delivering the perfect solution for their unique requirements. Whether you need an office chair to ease an aching back, an additional work space for a new recruit, or a bespoke office redesign, we are here to help.

Our product knowledge, experience in problem solving and commitment to first-class communication really sets us apart. We don't charge for advice, space planning and general support - that is just a part of the service that keeps our customers coming back to us year after year. When you purchase from Alexander Green you can be 100% confident that your purchase will meet your needs and your budget... and we guarantee to make your working life run more smoothly!

Why not give us a call on **01763 500115**, email [sales@alexandergreeninteriors.co.uk](mailto:sales@alexandergreeninteriors.co.uk) or visit [www.alexandergreeninteriors.co.uk](http://www.alexandergreeninteriors.co.uk) to request a no-obligation quotation.

# Fully upholstered *Task Chair*

LR042

LRM043

largo

The Largo task chair is designed to offer all the comfort, adjustment and control required in the modern office. It features a fully upholstered contoured back rest, which can be specified in 2 contrasting colours. It also has a stylish lower back cover to enhance the clean lines attributed to this chair.

## KEY FEATURES

### Synchronised Mechanism

The self-weighting mechanism intuitively responds to the torque requirements of a wide range of users without the need for manual tension adjustment. This means it allows the user's weight to adjust to a comfortable sitting position and recline tension.

The seat pivot is located near the user's hips, helping the user maintain full contact with the chair's seat and back though the full range of recline. The mechanism also comes with an integrated seat slide allowing users of all heights to achieve a suitable seating position by adjusting the seat depth.

### Ratchet Height Adjustable Back

The height of the back can be adjusted from the seated position.

### Armrests

Choose from height adjustable arms, height adjustable & foldaway arms or multi-directional arms.

### Built to Last

All Steelco task and operator chairs are suitable for persons up to 150kg / 23.5 stone and supplied fully assembled with a 5-year peace-of-mind guarantee.

### Additional Features

- 5-star pyramid base in black, white
- 60mm castors as standard.
- Huge choice of fabric or vinyl seat and back coverings.

### Optional Extras Including

- Adjustable headrest for additional head/neck support, for mesh back version only.
- Polished aluminium spider base.

# applause
