**Alexander Green...** the complete solution to your office furniture requirements.

## 2D & 3D CAD Examples

**If you're looking to improve your office space, Alexander Green Office Interiors will guide you through the whole process.**

Alexander Green provide sound, open, friendly advice with over 20 years' experience within the office furniture and seating industry, supplying many businesses locally and nationally.

Our close manufacturer partnerships allow us to present a wide range of solutions to fit all your needs and requirements.

Alexander Green's quotation & CAD planning service will illustrate your office layout from start to finish with 2D & 3D visual examples.

In this booklet you will find everything you need, from seating to storage.

With our extensive range of available colours, there is a combination for every type of office environment.

When looking to purchase office furniture for your work environment it is important to consider the space you have as the office environment is shifting rapidly, resulting in new challenges and opportunities for many companies.

An example being Agile working, Agile working is all about creating a flexible office space and a productive working environment where your employees have the option to sit, stand and work in a setting where it is most suitable for them to complete their daily tasks.
